

Preparing ALL kids for success one donation at a time

The back to school season will be here before we know it and we hope that this year we can count on YOU to help prepare Orleans-Cumberland area school aged children for success! More than 300 children in our community need our help every year to ensure they begin the school with the necessary educational supplies from a growing list of items sent out by the school boards. Add to this the daily cost of class & school outings and events, families in our community need our help. With your assistance, we hope that NO child in our community will have to begin their year with an empty backpack or miss a class event this year.

Can we count on your support?

We are looking for four companies to sponsor our **School Supplies Program** in the amount of \$2,000 each. This sponsorship will provide your business with many great advertising/promotion opportunities at the same showing your community support. This program requires upwards of \$13,000 which will ensure that no child in need is turned away. With these sponsorships and the kind support of Staples Business Depot this goal is attainable. Over the last 5 years we have seen the number of children in need rise steadily and this year we anticipate the numbers to grow once again.

This is an excellent opportunity to connect your logo to a program that is so important to the youth of our community. Below you will find a description of the sponsorship opportunity that is currently available for this year's program. If you have any questions or need further information about the OCCRC's **School Supplies Program**, please do not hesitate to contact us at the coordinates listed below.

Thank you in advance for taking the time to review the material and we look forward to speaking with you in the soon.
